ELEPHANT BUTTE DAM.

The formal opening of the great Elephant Butte dam, the largest irrigation project ever undertaken by the reclamation service of the United States, will be celebrated next May. Practically all of New Mexico and Texas will take part. President Wilson has promised to attend if he can do so.

Popular Mechanics for January contains an excellent picture of this dam. With the exception of the Nile dam at Assuan, the most famous structure of its kind in the world, the Elephant Butte dam is the largest ever built. When finished it will contain 550,000 cubic yards of solid masonry. It is built mainly of concrete, the up and

## NEAR DEATH BY SMOTHERING

But Husband, With Aid of Cardui, Effects Her Deliverance.

Draper, N. C.—Mrs. Helen Dalton, of this place, says: "I suffered for years, with pains in my left side, and would often almost smother to death. Medicines patched me up for awhile but then I would get worse again. Finally, my husband decided he wanted me to try Cardui, the woman's tonic, so he bought me a bottle and I began using it. It did me more good than all the medicines I had taken."

I have induced many of my friends to try Cardui, and they all say they have been benefited by its use. There never has been, and never will be, a medicine to compare with Cardui. I believe it is a good medicine for all womanly troubles."

For over 50 years, Cardui has been relieving woman's sufferings and building weak women up to health and strength.

If you are a woman, give it a fair trial. It should surely help you, as it has a million others.

Get a bottle of Cardui to-day.

It is time to begin picking out your New Year's resolutions.

## To the Rescue in Blood Diseases

Just the Help Needed to Overcome Worst Troubles.

In S. S. S., the famous blood purifier, is the greatest natural repair crew known. It is an antidote for germs, that once let loose, multiply so fast that a definite disease is apparent overnight. And yet so powerful is the influence of S. S. S. that like a vast army it spreads all through the blood, checks disease, opens up all the valves of escape and throws out disease through the lungs, kidneys, bladder, bowels and skin.

Do not become panic stricken if a rash or boils or eruptions inflame the skin. Nature is doing her best but Nature is at the same time calling for help, and in S. S. S. is just the kind of help Nature demands, for it is a pure vegetable remedy with an action that vigorously follows the blood channels and cleans and repairs as it goes along. In every community are people who know this to be true. They have used S. S. S. and are blood clean, through and through.

Get a bottle of S. S. S. today at any drug store. Drive out those destructive germs that cause skin eruptions, sore throat, swollen glands, blood rashes, painful rheumatic joints, chronic bronchitis, and most all conditions of disease. Read the folder around the bottle that tells about the great work being done to assist sufferers. If you would know more about the blood and its treatment, write for special book to The Swift Specific Co., 52 Swift Bldg., Atlanta, Ga.

down stream faces being cast against forms. It will be 1,200 feet long on top at an elevation of 4,414 feet, or 200 feet above the original surface of the river.

The maximum height of the dam from the deepest excavation to the top of the parapet wall will be 304.5 feet. The maximum width at the base is 215 feet. The lake it will form in the Rio Grande valley will be one and three-quarters of a mile wide, 66 feet deep and with a shore line of 200 miles. The lake will cover 42,000 acres and will contain 862,200,000 gallons of water.

## Words of Praise For Mayr's Wonderful Stomach Remedy

"How thankful we are to you for getting a hold of your wonderful Remedy. My wife could not have had but a short time to live if she had not taken your Wonderful Remedy when she did. One more of those panacea pills she was having would have killed her without a doubt. Now she is free from all pain, free from heart trouble and free from that disturbing Neuralgia—all the results of five treatments—and she is able to eat anything she wants and her appetite is good and before taking your medicine she had no appetite and when she ate anything she would suffer death for so doing and could not sleep at night, since taking your treatment she sleeps well all night long. T. A. Neill, Rockledge, Texas."

The above letter should convince you more than anything we could say in behalf of Mayr's Wonderful Stomach Remedy. Sufferers should try one dose of this Remedy—one dose should convince them that they can be restored to health. Nearly all Stomach Ailments are caused by the clogging of the intestinal tract with mucus and catarrhal secretions allowing poisonous fluids into the stomach and otherwise deranging the digestive system. Mayr's Wonderful Stomach Remedy peacefully removes these secretions without a surgical operation and puts an end to Colic Attacks, Gases in the Stomach and Intestines and all of the usual symptoms of Stomach, Liver and Intestinal Ailments. Ask your druggist about Mayr's Wonderful Stomach Remedy or send to Geo. H. Mayr, Mfg. Chemist, 154 Whiting St., Chicago, Ill., for free booklet on Stomach Ailments and many grateful letters from people who have been restored.

"Dr. King's New Discovery quickly and completely stopped my cough," writes J. B. Watts, Floydale, Texas. Money back if not satisfied, but it nearly always helps.

None are so blind as those who imagine they see it all.

It Really Does Believe Rheumatism. Everybody who is afflicted with Rheumatism in any form should by all means keep a bottle of Sloan's Liniment on hand. The minute you feel pain or soreness in a joint or muscle, bathe it with Sloan's Liniment. Do not rub it. Sloan's penetrates almost immediately right to the seat of pain, relieving the hot, tender, swollen feeling and making the part easy and comfortable. Get a bottle of Sloan's Liniment for 25 cents at any druggist and have it in the house—against colds, sore and swollen joints, rheumatism, neuralgia, sciatica and like ailments. Your money back if not satisfied, but it does give almost instant relief.

Better a painful situation than no job at all.

Don't Delay Treating Your Cough. A slight cough often becomes serious. Lungs get congested, Bronchial Tubes fill with mucus. Your vitality is reduced. You need Dr. Bell's Pine-Tar-Honey. Only 25c. at your Druggist.

The modern horn of plenty is attached to the cheap phonograph.

Despondency Due to Indigestion. It is not at all surprising that persons who have indigestion become discouraged and despondent. Here are a few words of hope and cheer for them by Mrs. Blanche Bowers, Indiana, Pa. "For years my digestion was so poor that I could only eat the lightest foods. I tried everything that I heard of to get relief, but not until about a year ago when I saw Chamberlain's Tablets advertised and got a bottle of them, did I find the right treatment. I soon began to improve, and since taking a few bottles, of them my digestion is fine." For sale by all dealers.

Ever tempted Adam to eat, but she didn't drive him to drink, anyway.

Remarkable Cure of Croup. "Last winter when my little boy had croup I got him a bottle of Chamberlain's Cough Remedy. I honestly believe it saved his life," writes Mrs. J. B. Cook, Indiana, Pa. "It cut the phlegm and relieved his coughing spells. I am most grateful for what this remedy has done for him." For sale by all dealers.

What the average schoolboy wants is a history that will repeat itself.

Important. Bear in mind that Chamberlain's Tablets not only move the bowels but improve the appetite and strengthen the digestion. For sale by all dealers.
